

# Heart of the Home

Goal: **\$80,000**

## 2023 Christmas Offering

In August 2023, Second's kitchen was shut down because our stove hood no longer complies with the fire code. To resume cooking, we need to replace the stove, hood, and other appliances.

**Recognizing how integral the kitchen is to Second's ministries, this year's Christmas offering will support the Heart of the Home campaign.**

In this season of giving, please give generously so our kitchen can reopen and cooking ministries can flourish.

To learn more about how the kitchen is the heart of Second, visit [secondpres.org/heartofthehome](https://secondpres.org/heartofthehome)
